About the competition

Our environment is precious to all of us but with all the waste we produce everyday, it is in danger of being damaged. Our two mascots Auntie Litter Bug and Robbie Recycle, who work tirelessly in promoting litter awareness and how to make our environment cleaner and greener are retiring and they are looking for a new recruit to carry on this good work in the county. With that in mind we need your help to come up with ideas for a new "Superhero" mascot to save our environment from disaster ie. Litter and waste clogging up our streets.
