	Calling on this Council to condemn the actions of the Government of the United Kingdom in seeking to exit from The London Convention of 1964 in preventing countries from fishing in territorial waters whereby agreement has been in effect prior to the entry of the United Kingdom into the European Union which has permitted Irish Vessels to fish in British Territorial Waters to date.	

That this Council in so condemning this withdrawal which will impact on the Irish Fishing Industry and our county as a border fishing county, convey this condemnation to the Northern Ireland Secretary, The British Prime Minister, The Foreign Secretary, The Minister for Foreign Affairs and An Taoiseach.

	That in light of the recent decision by An Bord Pleanala that the consistent intensive letting of a property in Dublin does constitute development, that Louth County Council should now require a change of use for properties being used in a way that is not ancillary to normal domestic use.	

In other words, where high frequency turnover of guests in houses in residential areas without a fulltime occupancy is

- a) materially affecting amenity value for neighbours,
- b) adding unplanned for, loading to sewage treatment and water supply,
- c) adding pressure road and parking capacity,
- d) increasing public health risk,
- e) creating unaffordable house prices and rents for local residents,

that planning permission be required.

	That Louth County Council recognise the enormous contribution the late Jimmy Magee has made to sport in Ireland and the ambassadorial role he has played in promoting his native county of Louth. A commemorative statue or plaque positioned in a prominent position would be a fitting tribute to this great Gael who was loved throughout his lifetime by sports fans nationally and internationally.

	'That Louth County Council calls on Taoiseach Leo Varadkar to appeal to the Spanish government to desist from its present course of action against the Catalan government and its people. Heavy-handed policing, imprisonment and political repression are not a solution to the question of Catalonian self-determination.	
	The Spanish government should agree to internationally mediated dialogue as a means to find a peaceful resolution.	
	We express solidarity with the people of Catalonia.'
