	Date Submitted: 02/07/2018 00:00:00	Owners:
"Sinn Féin as an All Ireland Party have observed the increased and relentless fly tipping in the Louth County Council and Newry Mourne and Down District Council Areas. We call on Louth County Council to increase co-operation between both Councils to tackle this scourge. Firmer action needs to be taken on Enforcement of Illegal Dumping. Fines and penalties must reflect the crippling costs to Council and Government. A full and comprehensive review needs to be carried and we must spread a message of zero tolerance. We request that Louth County Council write to Minister Naughten to raise our concerns and request prompt action".		

Motions	Submitted By: Tommy Byrne	Item ID: 3066
	Date Submitted: 03/07/2018 00:00:00	Owners:
"That Louth County Council calls on the government to freeze existing Property Valuation Bands to avoid a "bombshell" increase of up to 250% in the property tax for 2019, until a more equitable system is introduced".		

Motions	Submitted By: Richie Culhane	Item ID: 3062
	Date Submitted: 02/07/2018 00:00:00	Owners:
"Calling on Louth County Council to consider drafting bye laws that would require householders to produce written proof of using an authorised waste disposal service provider, with appropriate fines attached for non compliance. This initiative is imperative in the interest of good waste management and would act as a deterrent to a minority of householders disposing of waste material by illegal means".		

Motions	Submitted By: Joanna Byrne	Item ID: 3095
	Date Submitted: 06/07/2018 00:00:00	Owners:
"Louth County Council recognises the essential role carried out by emergency service workers including Ambulance, Fire Service, Gardaí and Customs, and the risks that these frontline workers take in the service of the public. We also recognise that assaults carried out upon such emergency services in the course of their duties, can hamper, delay, and prevent these services coming to the assistance of the public, often during situations and events of serious duress and danger. - Therefore, we consider the nature of such assaults as serious, and it should be considered an aggravating factor, where any assault is made against a frontline worker during the commission of their duties, and that any review or future sentencing guidelines should provide that it would be considered an aggravating factor".		

Motions	Submitted By: Joanna Byrne	Item ID: 3065
	Date Submitted: 03/07/2018 00:00:00	Owners:
"Louth County Council calls for the introduction of a long term plan for the private rental sector to provide tenants with long term security of tenure, rent certainty and improved policing of quality and standards. These objectives would be achieved by introducing tenancies of indefinite duration, linking rents to an index such as the CPI, inspecting a minimum of 25% of all rental properties per year and requiring landlords to provide an NCT style certificate on commencement of a new tenancy. The strategy should also provide increased support for landlords to improve the professionalization of the sector".
