I propose that Louth County Council devise a 10 year Play and Recreation Policy for County Louth. The aims of this policy will be to identify the play and recreational needs of children and young people in Louth from 0 -18 years old.

One of the first objectives should be to install inclusive playgrounds in North Drogheda and Termonfeckin as the two locations where there are no existing playgrounds.

The policy should promote national policies National Play Policy, Teenspace, Better Outcomes Brighter Futures, and Healthy Ireland to build on existing play areas and further promote play and recreation opportunities for our children and young people.
