*Fógraí Foriarratais / Notices of Motion*

---

**12.0 Notice of Motion - Cllr. Paula Butterly**

That Louth County Council establishes an Agriculture, Fisheries and Rural Committee.

The Agriculture and Fisheries sectors support thousands of jobs in the County and their combined value of output was circa €126m in 2020, equating to in excess of €180m in value of exports.

Such a committee would allow crucial stakeholders to contribute to debates and proposals regarding environmental, economic and educational issues relative and specific to these sectors and their communities. Key Objectives:

1. Environmental - that the next generation inherits a better County to the previous one.
2. Education - promote, inform and educate on the importance of good food, its origins and its links to good health.
3. Bridge the divide between the urban and rural communities.
4. Sustainable Rural life - ensure that rural communities remain financially and economically viable, that communities continue to prosper and grow.

Similar committees have been established within Donegal County Council and are proving to be successful

**13.0 Notice of Motion - Cllr . T. Sharkey**

"In respect of the financial costs incurred by LCC by giving cash flow support to the 2018 and 2019 Fleadh Committee, this council require a report to be issued by the Chief Executive outlining what steps were taken to comply with Section 104 of the Local Government Act 2001 and specifically

(7) Where the manager has incurred additional expenditure under *subsection (6)*, or to which a scheme under *subsection (4)* applies, he or she shall inform—

(a) without delay, the Cathaoirleach of the fact, and

(b) the members of the local authority of the fact at the next practicable meeting of the local authority following the incurring of additional expenditure,

giving details of the additional expenditure and its implications for the local authority budget."

#### **14.0 Notice of Motion - Cllr. E. Coffey**

That Louth County Council give their support in the DKIT s.38 TU ACT application in obtaining University Status and ensuring that it becomes the 1st choice third level learning institution in the North East

#### **15.0 Notice of Motion - Cllr. J. Sheridan**

"To ask what the cost of the junction realignments in November 2020 at Sláns pub Annagassan and at Dillonstown church? What arrangements are made with the relevant stakeholders around the cost of the second realignment in June 2021 given it had to be realigned so soon after the first time it was done."

#### **16.0 Notice of Motion - Cllr. P. McGeough**

At July's meeting of the Ardee Municipal I was informed that the outlay for the junction at Annagassan will cost €200,000.

As you can appreciate, I am concerned at this figure and require the following:

1. Can I have a breakdown of this figure?
2. How much was spent on the second realignment to fix the 'upgrade'?
3. Were the same designers and on-site Company involved in both realignments?
4. Is there any insurance or clawback available to offset the cost of the second realignment as it was to fix an unsatisfactory or 'botched' job?

#### **17.0 Notice of Motion - Cllr. M. Hall**

That Louth County Council will call on the Ministers for Justice; Education; and Children, Disability, Equality & Integration to collaborate and implement an Operation Encompass-style programme between An Garda Síochána and schools.

Operation Encompass is a police-led, school-based early intervention safeguarding scheme which supports children and young people who experience Domestic Abuse. Operation Encompass was created to ensure that by the start of the next school day, a child's school will be informed that there has been a police-attended incident of domestic abuse incident at the home of the child. The child is then supported immediately upon arrival at school.
