"That this Council carry out traffic calming measures in the immediate vicinity of Priest Lane/Congress Avenue owing to the increased use of this section of road by motorists avoiding the traffic lights on Platin Road. The road is unsuitable for the volume of traffic given its narrow layout, on street parking, the proximity fo Abacas School, as well as countless other children and pensioners resident in the area."

"Given the approach of the 1916 Centenary, I think it appropriate to propose the renaming of the dual carraigeway from the Bus Depot to the Bridge of Peace to be renamed as 'Eamonn Ceannt Way'. Given his families connection with the historic town of Drogheda, and the fact that this section of the road is unnamed. I feel as a council this is just one of the many ways we as public representatives can show our support for the brave men and women who gave their lives for the cause of Irish Republicanism in the run up to the 100th Anniversary of the Easter Rising."
