	Date Submitted: 13/02/2018 00:00:00	Owners:

"In the interest of public safety, this Local Authority will undertake to re-lay the road markings surrounding the Beechgrove roundabout, and the mini-roundabout itself. With the faded markings, and the roundabout now virtually non-existent, there are already cars driving directly over it rather than around it and it is only a matter of time before a serious incident occurs. With this also being a main thorough fare of entry to the North Side of the town, and the amount of visitors expected to Drogheda for the Fleadh, it is imperative that these markings are present and visible for those who would not be familiar with the junction."
