Laurence's Gate, Magdalene Tower, Buttergate, St Mary's Abbey (Old Abbey Lane), St Peters Church (West Street), St Peters Church (Peter Street), St Mary's Church (Mary Street).

That this action of upgrading existing lighting will greatly enhance the impression of the town known historically as the City of Steeples."

	"That the local authority will construct a footpath between Moneymore housing estate and the Ballymakenny Rd. There is already a gap walkway established which residents have been using for generations to get their children to school, and with the addition of the new college on the Ballmakenny Rd the level of people using the current muck-trodden route has increased massively. The time has come to legitimise this route with the implementation of a proper footpath/walkway."
