## **6.0 Notice of Motion - Cllr. Pio Smith**

“Asking that the local authority apply a 30km speeding limit to Congress Avenue & Mount Saint Oliver and install a speed ramp at Mount Saint Oliver as was agreed in the 2023 Road Works Programme “

## **7.0 Notice of Motion - Cllr. Michelle Hall**

That this council create a mobility plan for Clogherhead to include active travel measures. There is a severe lack of footpaths in Clogherhead to main shopping areas on R166, Strand Hill and a need to adjoin both main routes to the village at Callystown. Clogherhead is an area of Outstanding Beauty, has a large primary school, shopping district and Blue flag beach that warrants segregated cycling lanes, bicycle parking and new/widened footpaths.

## **8.0 Notice of Motion - Cllr. Michelle Hall**

That this council include R166 from Termon Abbey to Newtown Cross for road resurfacing programme in 2024. This section of the road is badly deteriorated and in need of repair.
