Fógraí Foriarratais / Notices of Motion

7.0 Notice of Motion - Cllr. Tom Cunningham

That Louth County Council make a one way traffic system at Aston Green, the road at the shops in Aston Village.

8.0 Notice of Motion - Cllr. Michelle Hall

That this council will action a roadworks upgrade plan for Leonard's Cross, Mell to mitigate for the additional traffic at this junction due to the new housing developments, noting that Condition 33 of An Bord Pleanála approved Strategic Housing Development, previously known as Old Slane Road SHD, now Gort Meala (Mell) provides that the developer should pay €250,000 for an upgrade of Leonard's Cross to Louth County

Council.

9.0 Notice of Motion - Cllr. Michelle Hall

That Louth Council will provide a plan for new pedestrian crossings across Drogheda Borough District to improve road safety for pedestrians and encourage more active travel in Drogheda BD for people of all ages and abilities, helping us meet our Healthy Louth targets. Officially designated controlled and uncontrolled crossings should be instated at all pedestrian desire lines, including:

- a) at junctions which are prone to have heavy traffic (even if only at certain times of the day);
- b) at points where pedestrians would reasonably be expected to be able to cross and there is no alternative (either at all or close by):
- c) where roads need to be crossed to access particular public areas (e.g., shopping centres, libraries, parks, etc.).

10.0 Notice of Motion - Cllr. Pio Smith

' Asking that the Local Authority secure funding for an annual Drogheda Summer Festival. This was originally proposed after the successful Fleadh Cheoil events and unfortunately the COVID pandemic didn't allow for an outdoor summer festival to happen. The town needs a boost, particularly after the loss of the D Hotel and a summer/early autumn festival would keep Drogheda on the tourist destination map'

Fógraí Ceistanna / Notices of Question

11.0 Notice of Question - Cllr. Paddy McQuillan

We have two major museums in the county, Drogheda Museum and the County Museum. What funding does the Council give each museum?

Is there direct funding towards staff salaries, or funding for gas and utilities, insurance, maintenance or advertising?

Is there a set of accounts for both museums?
