Fógraí Foriarratais / Notices of Motion

12.0 Notice of Motion - Cllr. Michelle Hall

That this council will provide a footpath to Termonfeckin Celtic FC and extend it to Termonfeckin Graveyard on the Sheetland Road, Termonfeckin to ensure safe pedestrianisation for young people and the elderly especially. This measure is also in keeping with Healthy Louth and Active Ageing goals, reducing our reliance on motorised vehicles and ensuring independence for all ages. SDGs 3, 10, 11, 13.

13.0 Notice of Motion - Cllr. Michelle Hall

That this council will install quality seating areas in Drogheda MD. Increasing quality seating for all ages may be measured across economic and social parameters.

Well-designed free places for people to sit, wait, drink, eat, meet, talk, and pause can, for example: encourage human connection, if only through observation – this can prevent loneliness and strengthen trust within communities. Seating can create opportunities for people to reside outside and unlock the health benefits of spending time in nature and increase economic benefits by attracting more tourism. SDGs 3, 5, 10, 11, 13.

14.0 Notice of Motion - Cllr. James Byrne

"That Louth County Council takes responsibility for the historical graveyard known as Bully's Acre from the HSE either through the taking-in-charge process or by way of an inter-State transfer of said land."

15.0 Notice of Motion - Cllr. Pio Smith

"Asking that the Louth County Council seek legal opinion to clarify if the Local Authority has powers to implement Compulsory Sales Orders under the various pieces of legislation that underpin the functioning of Louth County Council"
