#### *Tuarascálacha / Reports*

### 6.0 Physical Development Report

J. O'Hagan, Senior Engineer

#### *Notice of Motions*

### 7.0 Notice of Motion - Cllr D McCole

"I propose that the Council re-examine the current sequence of traffic lights at Dublin road, North Road , Marsh road , Trinity St, and Donore Rd , all gridlocked in Drogheda, due to ongoing issues with traffic congestion and gridlock, which have been significantly impacting the flow of traffic daily".

---

## **8.0 Notice of Motion - Cllr E Donovan**

"I am asking the Council to install speed ramps, slow down rumble strips and road signage on the approach to Drogheda Institute of Further Education (DIFE) from the new northern cross route from Ballymakenny Road. While there are safety measures on approach to DIFE from the south side, the northern side is completely open to speeding and presents a risk to students and also to the residents living in and around the St. Laurences Drive/Park area".

## **9.0 Notice of Motion - Cllr Pio Smith**

Asking the local authority to outline in tabular form the number of derelict sites notices that were issued in Drogheda for the years 2022, 2023, 2024 and the final outcome in regards to each notice?

---

### ***Questions***

---

## **10.0 Notice of Question - Cllr Eric Donovan**

"That Louth County Council outline the number of issues, such as flooding, potholes, drainage and erosion, in the Burris area of Tullyallen which it has identified on foot of inspections it has conducted and what plans were put in place to rectify such issues identified. If the council have not conducted such an inspection, will it make a commitment to do so as soon as possible?"
