Location: Ballymakenny Road, Drogheda
Planning Reference: 071399

Proposed Names:

1. Sienna
2. Ellwood
3. Earlsbury

Helen noted that "Sienna" is duplicated in the area, which would cause confusion with services etc.

Following discussion, Cllr Sheridan proposed the name "**Ellwood**" which was seconded by Helen Divilly. The issue regarding the numbering of the development will be discussed with the Planners.

Block 2: Wheat House
Block 3: Barley House
Block 4: Chaff House
Block 5: Grain House

Following discussion, it was agreed by the Committee that none of the above proposed placenames were relevant to the area nor Louth and there was duplication in the placenames of Windmill, Seapoint etc.

The proposal above also will lead to a substantial address line which would cause confusion for services.

It was agreed to ask the developer to resubmit further suggestions to the committee and take the following advice:

- Development is situated in Townland of Haggardstown
- Suggestions should be more simplistic
- Research the area for historical evidence and link the name to this finding
- Possible Education reference, given the proximity of the College
- Possible Carroll reference, given the proximity of Carroll's factory
- Possible Rosemount reference
- View of the Cooley mountains from this site and Slieve Gullion
