CE Recommendation no. 434

CE REPORT PAGE no.679 – Submission DR001 - Trinity Gardens Residents Association

To Accept CE Recommendation:

434 – No Change.

A discussion took place around the submission to protect the walls at Trinity Gardens, and the Chief Executive Recommendation of No Change.

Cllr. Pio Smith proposed that the walls, name plaque and railings be added to the Record of Protected Structures under the historical category as the design characteristics of the wall are unique and seeks to preserve history

Cllr. Joanna Byrne seconded this proposal.

It was suggested that part of the walls formed a boundary with 3rd party properties and this would impose limits on the owners and Members were asked to consider if the protection of the name plate might be more appropriate.

Members voted on the proposal that the walls, name plaque and railings be added to the Record of Protected Structures under the historical category. The results were as follows:
