"I call on LCC to remove the fencing on front of Ardee Castle until works commence, as it serves no purpose and is there 3 years at a cost to the council of over €30k ,not a stone or pebble has fallen within that time, and can we be given a start date for the works to commence."

"The IDA always say that they try to attract business to the Louth area - and then it comes down to a location - usually Dundalk or Drogheda!!! Would LCC work with IDA to create a masterplan for Ardee, a national pilot project where they look at all aspects of Ardee life, from schools to childcare to leisure facilities and what future employers want in a certain small town in this country. Then they could develop, two ready to go factory outlets, and see can they attract businesses to the town. A case of build it and then they will come."
