D. MacMahon, Senior Executive Engineer

Fógraí Foriarratais / Notices of Motion

6.0 Notice of Motion - Cllr. Jim Tenanty

That this council start process in setting up town teams for Ardee. Due to the downturn in trade in the town and the overwhelming amount of business and buildings for sale and to-let is at pandemic levels. Urgent action is needed to address this problem.

7.0 Notice of Motion - Cllr. John Sheridan

That Louth County Council provide an update to the Ardee MD on when traffic counts were last conducted at the below four locations and what was the outcome of the traffic count.

R171 at Louth Village Crossroads

LP2253 at Philipstown National School

R168 at Drogheda Street Collon

And that traffic counts would be conducted at the four locations again this summer as they need to be reviewed in the context of future low cost safety measures/traffic calming.

8.0 Notice of Motion - Cllr. Pearse McGeough

"Following the passing of Part 8 on Collon Playground at the Municipal meeting of the 4th April 2024, it was noted that playground is situated on the west of the village while the majority of housing is located on the east of the village. This will necessitate children and those accompanying them having to cross the N2.

It is incumbent upon us to ensure the safety of children who will be using the playground so I am asking this council to write to TII seeking the installation of traffic calming measures that would/could include ramps on the N2 in Collon"
