Members were requested to provide contact information for the Tidy Town groups in order that the €5,000 allocation can be equally distributed between the five groups.

Members expressed a desire to clear all 2022 allocations by end of year. The Cathaoirleach requested ideas for the 2023 allocations to be put forward at the January 2023 meeting, agreed at the February meeting and paid out by end of March.

Updates on outstanding approved allocations were requested to be given by the Director of Services at December 2022 meeting.

Joe McGuinness advised Members that the €5,000 allocation for Dromin Graveyard Engineering Assessment may not be required as it appeared that a high standard internal assessment had been recently carried out by Declan McMahon, Senior Exec. Engineer. The landowner had to be contacted.
