" In relation to the present status of St. Patrick's Cemetery, Dowdallshill I would appreciate clarification of the following:

(a) As funds have been allocated to replace the railings in the Cemetery in this year's Council budget what is the expected start date for these works?

(b) When can we expect to receive a report on the present condition of the Cemetery and a list of works undertaken etc, in advance of the forthcoming patrum Sunday as was indicated last year?
