#### **6.0 Notice of Motion - Cllr. Sean Kelly**

That Louth County Council carry out immediate works to improve safety at a junction within the Ard Easmuinn estate that has been the site of numerous road accidents over the past number of years. These works should include better signage and road markings and any other measures available to the Council that they believe would improve safety for road users, local residents and pedestrians in the area.

#### **7.0 Notice of Motion - Cllr. Sean Kelly**

'That Louth County Council will consider including Mill Street for the next round of speed calming measures and include the street in the special 30km speed zone. At present the street is used as a through road and shortcut for motorists and there is excessive speeding for a narrow street which has a strong residential community, a convent, a primary school and a secondary school and the entrance to a business park.'
