C. Hughes, Senior Executive Engineer

#### **7.0 Road Works Programme 2024**

### *Míreanna / Items*

#### **8.0 To review deputation from Dundalk Tidy Towns in accordance with Standing Order No 45**

### *Fógraí Foriarratais / Notices of Motion*

#### **9.0 Notice of Motion - Cllr. Conor Keelan**

"That the engineers remove the right-hand turn from McEntee Avenue/Harp Lager Hill with immediate effect

in the interest of safety and better traffic flow in the area and encourage relevant traffic to migrate left to the Crescent roundabout and then take the turn if required."

#### **10.0 Notice of Motion - Cllr. Sean Kelly**

'That Louth County Council will install a set of traffic lights at the Castletown Cross junction on completion of the ongoing roadworks. This junction is particularly busy with poor sight lines from both Mount Avenue and Mill Road. With increased traffic in area due to the new road layout and presence of two secondary schools nearby, the safety of residents and road users should be priority, and the existing junction layout is not sufficient to ensure that safety.'

#### **11.0 Notice of Motion - Cllr. Sean Kelly**

'That Louth County Council will amend the current plans in place for the road layout at Mount Avenue and install additional safety measures at two junctions with existing residential areas.

That they will consider all options sent to them by concerned residents and carry out the works deemed necessary to improve both road user/pedestrian safety and improve sight lines on both of the following junctions:

1. The Rise/The Paddocks with Mount Avenue
2. Headford with Mount Avenue

Furthermore that Louth County Council will ensure that the road when completed will fully comply with standards set out by TII/DMURS guidelines where they recommend a sightline of 70 metres for a 50km speed zone in a built-up area.

Finally that as new residential developments progress on this road in the future that the Council will continue to engage with local residents and install, if necessary, additional safety measures.'

#### **12.0 Notice of Motion - Cllr. Conor Keelan**

"Subject to Section 131A(4) Reserved Functions to be Performed by Municipal District Members that the Dundalk MD establish bye-laws in relation to stands for taxis both at day-time and night-time, as allowed for under legislation, so as to review and update the existing bye-laws enacted by the members of the former Dundalk Town Council, now abolished."
