FRANCISCAN CAPUCHIN FRIARY

CHURCH STREET DUBLIN

Friday.

Dear Mr Dolan

I called yesterday
after receipt of your
letter and found the
person for whom you
had inquired to be quite
well. I met his wife &
she told me he & she
had written you. Your
letter to me was dated
May 7, but I did not
get it till yesterday. Things
are sad here. Poor Ireland!
Get some day I shall tell you
plentiful things of how they died
