• **Indemnification of LCDC by IPB Insurance – David Malone from IPB will discuss**

At chairperson's request, consensus was given by the LCDC to bring forward item no 5 on the agenda to be heard before items 2-4.

David Malone from Irish Public Bodies Insurance (IPB) spoke to the LCDC.

David confirmed there is Professional Indemnity (PI) cover, protection for LCDC under Louth Country Council insurance policy. Personal indemnity cover is given to all members of the LCDC in the event of a separate/individual claim against them. It gives comfort to members re decision making.

There is cover with regard to error or omission. PI does not protect against pure business risks which don't work out economically.

There is €2 million cover for any one period and LCDC need to ensure this is enough. There is a need to check is the LCDC going to approve more than €10m worth of tenders in the course of one year.

Members must check the terms and conditions with regard to conflict of interest. This is standard on policies with professional indemnity insurance.

Members need to use the existing controls and measures when making decisions and ensure good governance principles apply.

Discussion with regard to a bond to cover €6.2m for the LEADER programme followed. Mary to send explanation and LEADER documentation to David to check if IPB can cover the LCDC. David advised that strictly speaking a bond is not insurance

## **2. Adoption of Minutes of Meeting on 22<sup>nd</sup> June 2015**

Proposed by Fiona Murphy, Seconded by Anthony McArdle

## **3. Matters arising**

None

## **4. Correspondence**

1. Letter from equality alliance
2. Letter re REDZ

Reference was made to the Standing Orders directing the LCDC and reminder to members to send apologies in advance of the meeting if unable to attend. Note that if you miss 3 meetings in a row without apologies you will be removed from the LCDC.

## **• Community elements of Local Economic Community Plan (LECP)**

Verbal update from Joe McGuinness on same - Advisory group prepared and published the draft framework and issues' papers. A consultant has been appointed – Aibhlinn McCrann – to develop the draft plan once all submissions are received. Aibhlinn will attend the next LCDC meeting and will be holding focused 1-2-1 consultations with relevant agencies over the forthcoming weeks. There is a possibility of a focused workshop/conference to be held in mid October. Details to follow.

- A discussion followed and the following was recorded
- Invite Aibhlinn to meet with PPN secretariat to see what items they want added to the LECP.
- LCDC want input from PPN before the LECP is approved by the LCDC.

- Note there is a gap in the PPN structure within the community particularly in the Sports sector. It is being considered linking sports grant funding with registration to PPN.

### SICAP

SICAP: Ref reports on overhead display. Not for distribution due to sensitive nature of information. LCDC members stated they were uncomfortable making decision re funding without answers. It was decided to compile questions and seek answers from the PI. Mary to contact LLP for answers on the following:

Heads of Agreement was presented for approval. The HoA outlines the respective roles in the LEADER programme.

A discussion followed:

John Cotterrel raised a query for Louth County Council – is there adequate staff and resources in place to deliver the plan? Joe stated they are not if a position at the moment to put adequate staff in place. John said the LCDC needs a formal response from LCC re same. The question is raised further to the Dept training sessions for LAG members held in Clane Co Kildare and the presentation from IPB.

A subsequent question asked “How much funds if any do LCC propose to take from the LEADER fund in relation to financial management? Joe will return with a response.

LEADER LDS has to be signed off and agreed by DOEHLG by end of December 2015. John Cotterrel requested the LCDC formally ask LCC to respond to timeline and resources available for LEADER LDS development and delivery. Joe to respond.

It was agreed to set up a LDS subgroup. Terms of Reference presented and approved.
