4. Volunteering Strategy Update

Ms. Gráinne Berrill gave a brief update on the Louth Volunteering Strategy. She reminded members that Louth Volunteer Centre had secured funding through LEADER to contract a facilitator to develop a Volunteering Strategy for County Louth in 2019 on behalf of LCDC with consultation commencing in October 2019. The development of a County Volunteering Strategy was one of the actions in our current LECP and as such the document would sit within the remit of the LCDC. Many members contributed to the consultation process but like many other things the process stalled somewhat in 2020 due to COVID19. Through the consultation process the format was reframed to become a Framework for volunteering in the county and is also informed by the National Volunteering Strategy which was published in December.

Ms. Berrill assured members that the publication is nearing completion and proposed dates for its launch either 19th or 21st of May as this will coincide with National Volunteering Week. She also confirmed, that on behalf of the LCDC, Mr. Joe O'Brien, Junior Minister at the Department of Rural and Community Development with responsibility for volunteering was invited.

Ms. Berrill confirmed that invitations will be issued to members to attend and all members are welcome. In addition one of the recommendations is that an Implementation Group be established under the auspices of the LCDC to oversee

delivery of the Framework with Louth Volunteer Centre acting as the group secretariat. Louth Volunteer Centre will follow up with the LCDC on same in the coming weeks.

9. Transitional LEADER Programme Framework Document Update:

Mr. Ciaran Reid informed the members that the Transitional LEADER Programme allocation for Louth has increased to a combined €1,802,823 for 2021/2022. Included

in the €1,802,823 is funding drawn down from the European Union Recovery fund (EURI) of €554,715. Commencement of allocations under the EURI can only start once approval has been given by the EU Commission. It is proposed that this Transitional Programme funding will be allocated through the measures within the existing LDS, which will be aligned to the 4 high level priorities, as set out by the DRCD, for this Transitional Programme.

Mr Reid stated that the rationale for the allocation of funding was based on the percentage allocation of the 2014-2020 allocations. eg. Local Objective 7 was allocated 17.91%, therefore, 17.91% of the Transitional funding is made available to this objective.

Whilst the members had no objections in principle, it was noted that additional work was needed to be undertaken before this document would be ready for approval by the LAG. Following discussions, it was agreed that this work should commence without delay and that the final draft document should be circulated to the members for consideration as soon as possible.
