

Louth Peace IV Programme

Newsletter No 1 - April 2019

Welcome to the first edition of the Louth Peace IV Newsletter. The Peace IV Programme is now underway with project activity commencing with events, workshops and other activities taking place across the County. This is a great opportunity for you to get involved in cross community and cross border engagement projects.

Over €3 million has been allocated to the Action Plan in County Louth and we have some exciting projects taking place.

The funding will be used in the delivery of local community initiatives for **Children and Young People** involving sport, arts, culture and language. It will facilitate programmes for **Shared Space and Services** by helping to make public space in towns and villages more inclusive. It will deliver projects that will **Build Positive Relations** by providing opportunities for sustained, meaningful and purposeful contact between individuals and groups of different backgrounds and on a cross-border basis.

Louth County Council Peace IV Secretariat will use social media; local newspapers and the Public Participation Network PPN to keep people informed; advertise events and encourage participation.

We very much look forward to your involvement.
