20/504	Louth County Council	P	07/07/2020	Part 8. LCC hereby gives notice of its intention to carry out development of a greenway from Omeath Pier to the County Bridge along the R173 Fathom Line at the border between Northern Ireland and the Republic of Ireland. The greenway, measuring approx. 4.2 km in length, will mainly traverse agricultural land and woodland belonging to a number of landowners and generally be situated between/along the old rail line embankment and the shore/coastline of Carlingford Lough. The greenway will connect to existing and future sections of the overall cross-border Carlingford Lough Greenway network. The proposal will comprise a shared walking and cycling greenway ranging in width from 2m to 3m that will be constructed mainly with an unbound granular surface course. It will also incorporate the following components: a 1.2 m high post and rail timber fence or other appropriate boundary fencing on each side of the greenway including the installation of stock proof fencing, security fencing, privacy screening, planting and boundary walls where required; an adjacent 0.5-1m wide over the edge 'v-ditch' drainage channel or french drain and a 0.5m buffer strip along the Greenway; a new box culvert as extension of existing culverted private accesses at L70541 and installation of safety barriers where required and a 140m section of asphalt surface providing a shared surface along a private access; additional cycle parking facilities and new trail head signage at
