

## **DRAFT LOUTH COUNTY DEVELOPMENT PLAN 2009-2015**

### **What Happens Next?**

Following this public consultation period, a Manager's Report summarizing the issues arising from the submissions will be prepared and considered by the elected members of the County Council. The Members may then decide to adopt or amend the Draft Plan and depending on whether the proposed changes are material in nature the Plan may be adopted. Should changes made be material in nature these changes will be put on public display for a period of 4 weeks within which time members of the public can comment on the changes proposed. Following consideration of submissions made the Plan will once again be considered by the elected members after which time the Plan must be adopted.
