1. To consider awarding a civic honour and/or civic reception

Members discussed the request to consider awarding a civic honour and/or civic reception for Amy Broadhurst, who recently won the World light welterweight championship. As this is a reserved function under Section 74 of the Local Government Act, 2001, as amended, they were advised that this would require agreement by resolution at a special council meeting, and any decision should adhere to Louth County Council protocol.

The following was agreed by Members:

A special one item agenda Council Meeting would be held in the chamber at 7pm on the 2nd June 2022, and a vote held to agree on the awarding of a Civic Honour, followed by a Civic Reception downstairs in the foyer of County Hall.

It was agreed that members of Ms. Broadhurst's family should be invited and allowed into the public gallery to view the meeting.

There being no other business, the meeting concluded.
